WELCOME

Welcome to South Australia for the fifth Australian Enduro Championship (ninth annual Four Day Enduro). South Australia is 150 years old on December 28th this year and we are proud that this Championship is part of the official celebrations.

The Barossa Valley is a well known tourist area with many and varied attractions. We know that you will enjoy your visit and hope you will come again. This area is the centre of Australia's reliability trials sidecar country. What a shame there is no sidecar class - we'd ride all over our visitors.

We especially welcome our overseas visitors from Germany and New Zealand. Their presence will add another exciting dimension to this Championship.

Only those who have organised a Four Day will know about the amount of work and worry that has gone into this event. Without the hard work of Graham Haydon and Henk Duson, the Championship would not have been possible. Of course, others have assisted in various ways and their efforts have been greatly appreciated. Please treat our wives nicely because they have suffered enough already.

The co-operation and response from land owners, councils and other bodies has been encouraging. Please help us to continue this good relationship by acting in a responsible manner.

Over the years, I have made many friends through motorcycling and the annual Four Day is one time we all meet. Graham Haydon was at Springton looking for areas to use for this event and a young lad on a Yamaha asked him how to find "the old Levis motocross track" as he was looking for somewhere to ride. Since that chance meeting, Chris has helped in setting up our course and joined the Ariel Club. I am hopeful that the 1986 Championship will help to improve our motorcycling image and that we will all make new friends.

It's back to Victoria and the Dandenong Club for 1987. Bryan Noble is here to learn from our mistakes as he is to be Clerk of Course next year (unless he changes his mind this weekend!)

Unfortunately, we know very little of the New Zealand riders who are competing. We know more about their Juryman, Tim Gibbs. He was originally from South Australia before he went to ride in Europe in the 1950's.

Eight New Zealand riders originally entered but Steve Hopkins, their only 250 rider, has had to withdraw because of injury. However, the remaining seven NZ riders, all in the 200 class, are sure to make their presence felt. We look forward to seeing them in action. Happy and safe motorcycling.

1984 & 1985
250 WORLD
CHAMPION

KTM WINS 6 HOUR — 1st outright, 1st 250, 1st open!

Jim Ellis and Mark Chapman, riding the World Championship replica Digital Control KTM250MXC swept all before them to clinch the '86 Six Hour Pony Express.

It was a double victory for the guys with first in the 250cc class and outright winners.

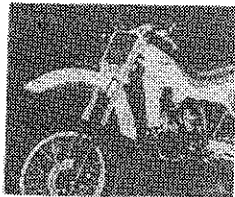

1st & 2nd OPEN WINNERS

KTM dominated the Open class with first place getters Frank Bonfadini and Andrew Carruthers, followed by Ian Bremner and David Grigg in second, bringing their big KTM's home to a convincing lead.

In the 125cc class Des Heany and Chris Couzos came third on KTM.

As World Champion KTM rider Heinz Kingpader says "If you're not racing a KTM, you're not really trying to win!"

MXCs are going out at nearly a \$1000 off! Don't miss out on these huge savings — contact your nearest dealer for further details. Remember the bargains last only till stocks run out.

80s in short supply

The super quick, brilliant handling KTM 80 is fast running out of stock. Get in quick for 1986 if you're after the latest and greatest 80 to hit the minibike scene in years.

OUR OVERSEAS VISITORS

It is great to have three world class riders from Germany competing in this Championship; Joachim Sauer from Frankfurt, Richard Wagner Jnr from Mannheim and Holger Herbertz from Cologne.

Richard Wagner has competed in the ISDE as a Club Team rider. We believe he speaks almost no English but we know he will feel at home being among motorcycle competitors. Holger Herbertz will be riding Maico with the latest factory improvements. He rode in the West German Junior Trophy Team in the 1985 ISDE. Joachim Sauer was the German 125 class Enduro Champion of 1983, 1984 and 1985. He won his class at the 1983 World Championship in Wales.

We thank the German O.M.K. (equivalent to our A.C.C.A.) for financing the riders' travel to Australia. Thanks also to Mr. Peter Schroeder of Germany and John Hall of Australia as without their help this visit could not have been arranged.

Mr. Bert Flood, the Australian KTM importer, has arranged for the hire of the bikes for Joachim and Richard. Phil Lovett met these riders at the Sydney Airport and is acting as their host. Good on ya, Phil. Mr. Ross King of Maico Motorcycles, in co-operation with the factory, has supplied the Maico for Holger Herbertz and is looking after him while he is in Australia. Ross said he is pleased to be able to give something back to the sport to which he sells motorcycles and accessories.

Local KTM and Maico distributor, Vince Emili, will be attending the Four Day to offer his assistance where possible.
